

# COVID-19 Member Survey Results October 2020

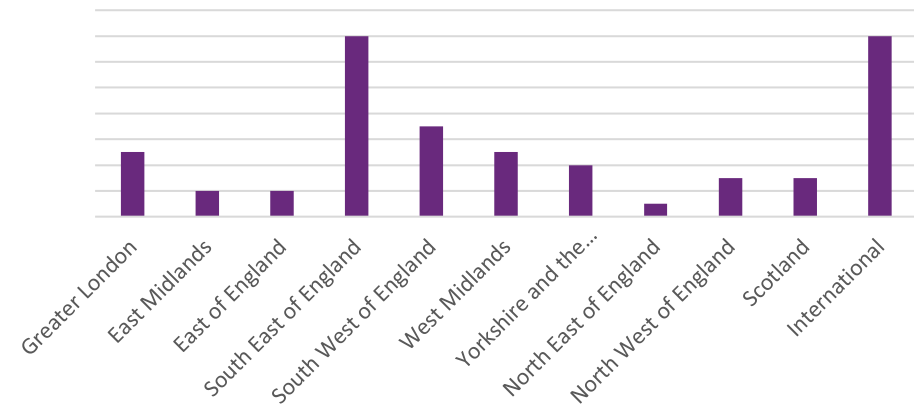

In these unprecedented times, as the professional body for Paralegals we want to do everything support our members.

Members were able to participate in the second Member Survey to help us understand the challenges members are facing in light of COVID-19 and to learn how we can best support our members and the Paralegal profession.

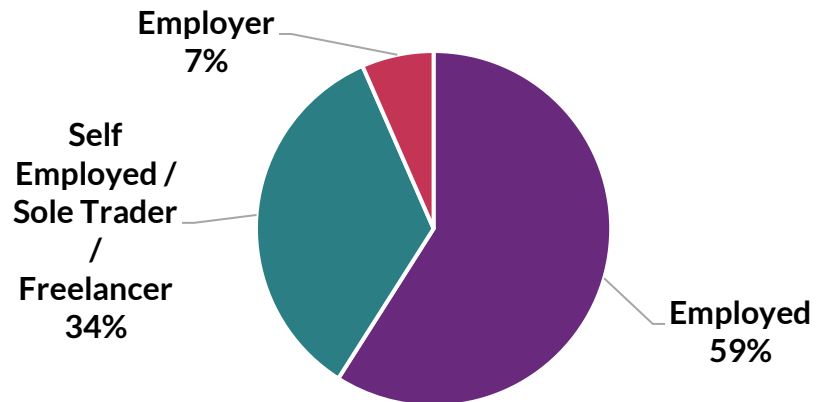

Where are you based?

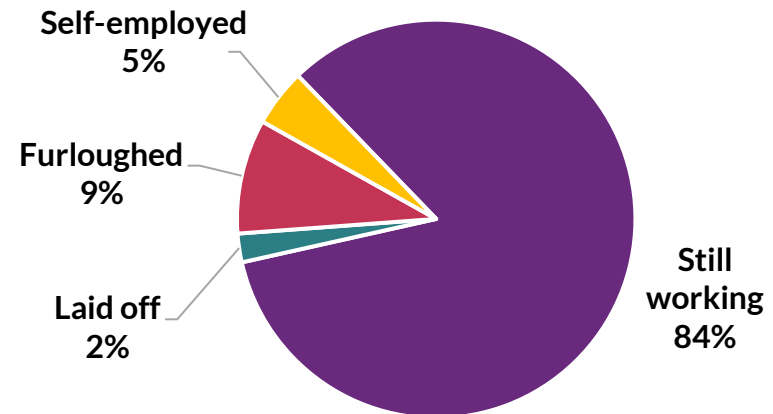

Where in the UK are your business's site(s) located?

Prior to the lock down and distancing measures, were you?

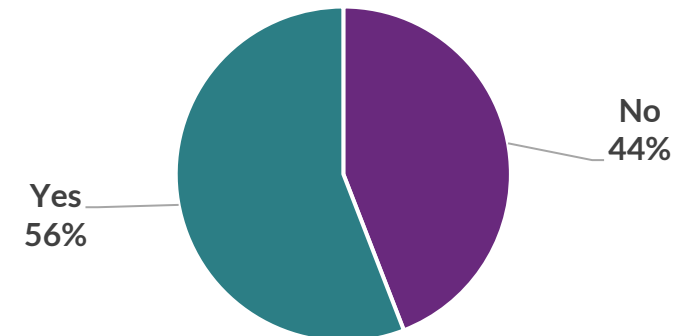

If you are an employee, have you been?

Do you feel the government support package has helped you?

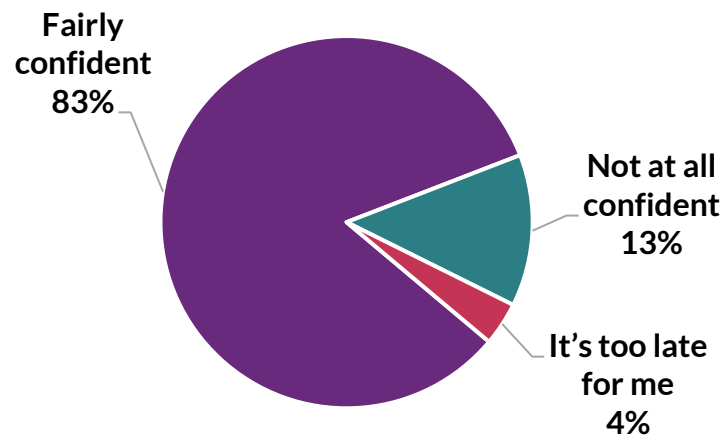

Have you found new opportunities by providing different services? Please provide information

Compared to usual circumstances, in which area(s) are you seeing more work right now?

Family Law  
Conveyancing  
Wills and Probate  
Health and Safety  
Insolvency, debt recovery, landlord and tenant

### How confident are you of keeping your job or business?

### How much of your current workload is directed to Covid-19
